Like the pine trees lining the winding road,
I've got a name, I've got a name.
Like the singing bird and the croaking toad,
I've got a name, I've got a name.
And I carry it with me like my daddy did,
But I'm living a dream that he can't give
Moving me down the highway, Moving me down the highway,
Moving ahead so life won't pass me by.

Like the north wind whistling down the sky,
I've got a song, I've got a song.
Like the whipporwill and the baby's cry,
I've got a song, I've got a song.
And I carry it with me and I sing it loud,
If it gets me nowhere, I'll go there proud.
Moving down the highway, Moving me down the highway,
Moving ahead so life won't pass me by.

And I'm going to go there free . . .

Like the fool I am and I'll always be,
I've got a dream, I've got a dream.
They can change their minds but they can't change me,
I've got a dream, I've got a dream.
I know I can share it if you want me to,
If you're going my way I'll go with you.
Moving me down the highway, Rolling me down the highway,
Moving ahead so life won't pass me by.

HONORABLE COACH SHEN'S C.C

TOP TO BOTTOM, L TO R: Dan Shank, Tim Dunham, Terry Carney, Barb Knecht, Debbie Larson, Lindsey Godfrey, Doug Morton, Mark Gold, Mgr. Donna Vowels. Coach Shen NOT PICTURED.

There was an added attraction to the cross-country team this year. Girls! Initially, not many people took Barb Knecht and Debbie Larson very seriously, but after the first couple of practices, people realized that the additions were doing more than just making the team look nice.

With only one returning hoofer (Terry Carney) from last year, Coach Shen really had his work cut out for him. After many long, hard, and sweaty practices, he shaped his team into a competitive contender, sending two of his squad of eight to state: Terry Carney, (10:36-time) who came in third, and Debbie Larson, who came in fifth in the girl's meet.

We congratulate Coach Shen and his team for their superb effort.

D.B.A. MEMBERS OF THE YEAR

PRESIDENTS: Paul Wood, Rob Marshall. Members: Jay Fritz, Dale Gier, Stan Miller, Woostey, little Woostey, Fred Strankman, Calvin Dudney, Nick, Clint, Ralph, Dave Horn, Mike Miles.

Sunnyside Grizzlies what a joke
All you do is gasp and choke
Jump shots, layins, and free throws
None of these shots ever go.

Grandview, Sunnyside, Selah too
Hanford can beat all of you
So sit back and watch your team
As their hopes become a dream.

See that basket, see that rim
This is Hanford High School gym.
D.B.A. will be your host
Now get ready for the roast.

Hanford Falcons purple and white
We will surely win tonight
Wooster, Clark, French and Quay
They will take us all the way.

Wolves, Wolves please refrain
All your efforts are in vain
Hanford Falcons have the lead
So you might as well concede.

Grizzlies, Bulldogs and the rest
Hanford is the very best
In this league you will see
Number one we will be.

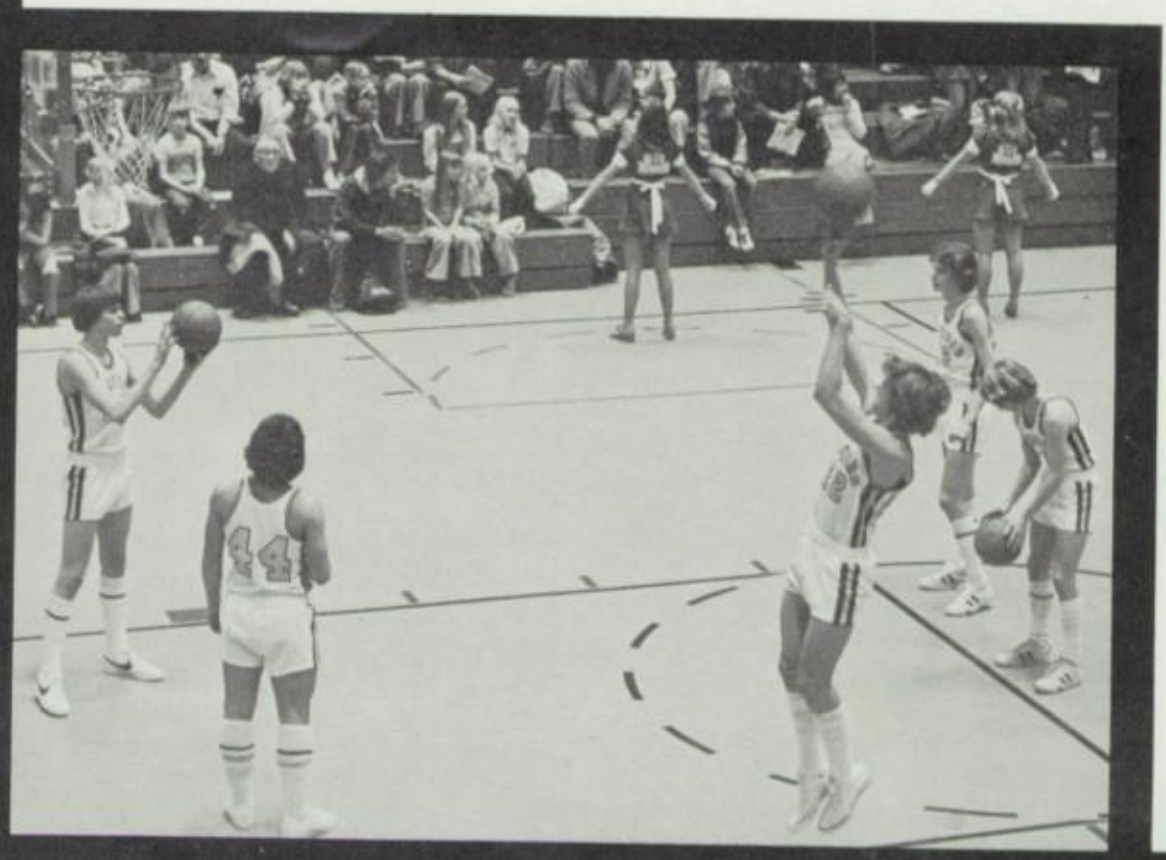
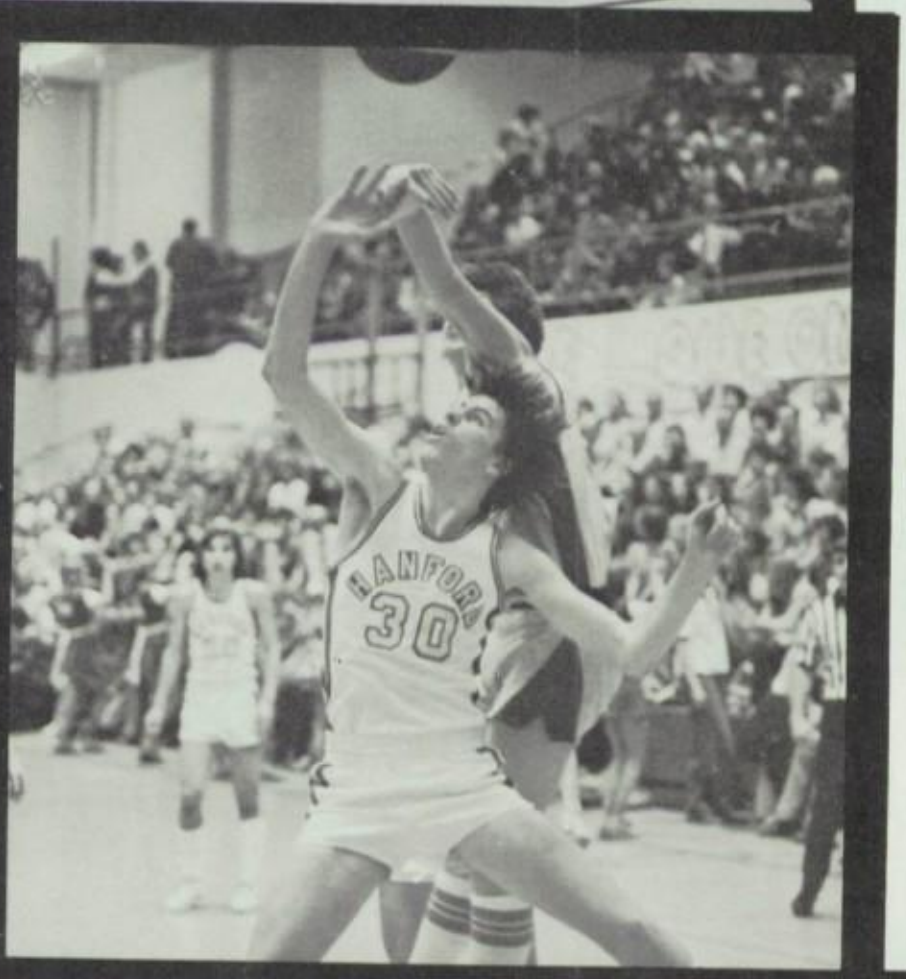
FROM L TO R: Assistant Coach Ray Hall, Ken Quigley, Bill Orgill, Dave Anderson, Curt Clark, Chad Bennett, Greg Thesenvitz, Kim Smith, Rob Worcester, Paul Mayer, Rob Cuello, Tom French, Denny DeVine, Head Coach Fred Strankman





"The 1975-76 Hanford Falcon Basketball team was the surprise team of the Mid-Valley league. With only 2 returning lettermen, the Falcons improved with every game and displayed teamwork and determination. The Falcons were ranked 3rd in the State AP Poll for six weeks with 9 straight wins. The Falcons were led by seniors Rob Worcester, Rob Cuello, and Ken Quigley. Junior Kim Smith was the Tri-City Athlete of the Week for ths sparkling play over Prosser. The Falcons captured second place in the Mid-Valley Conference."

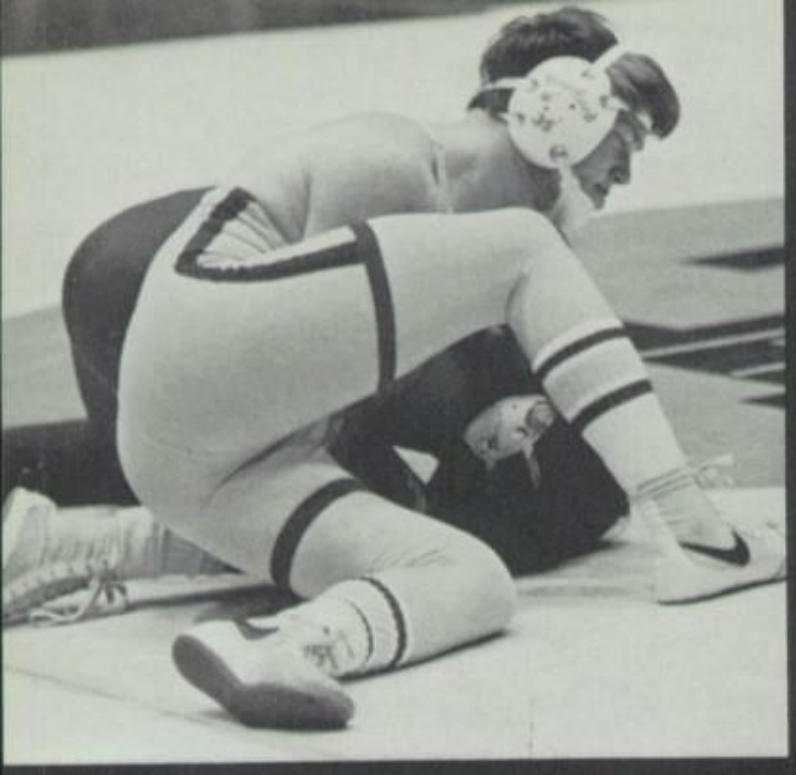
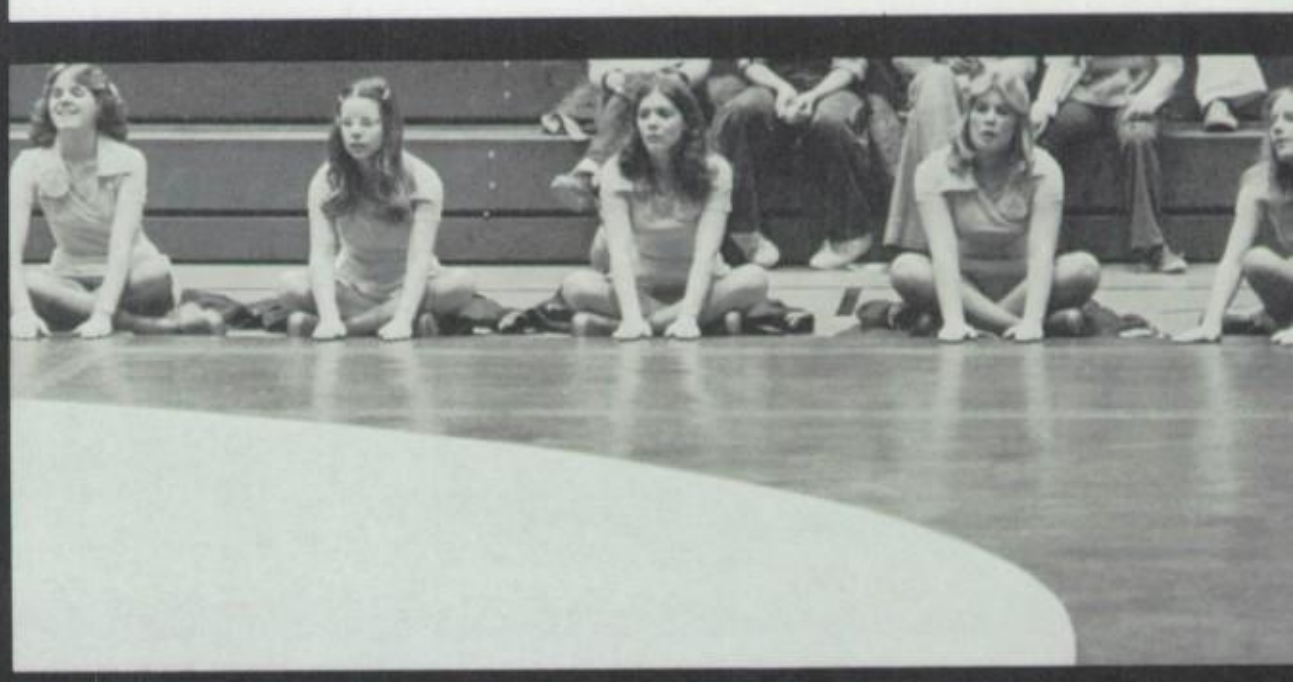
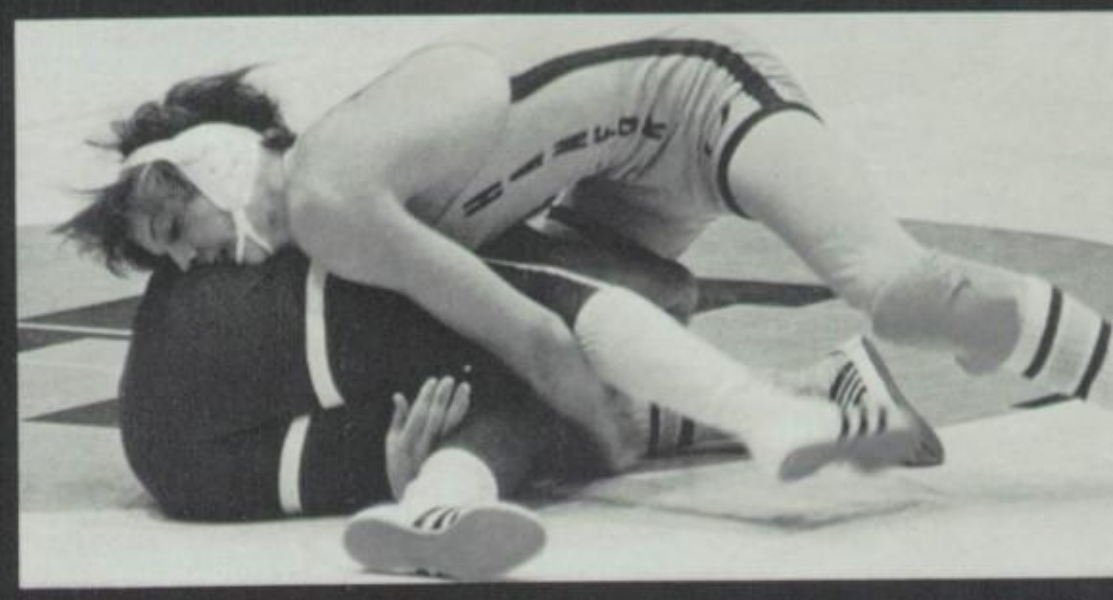
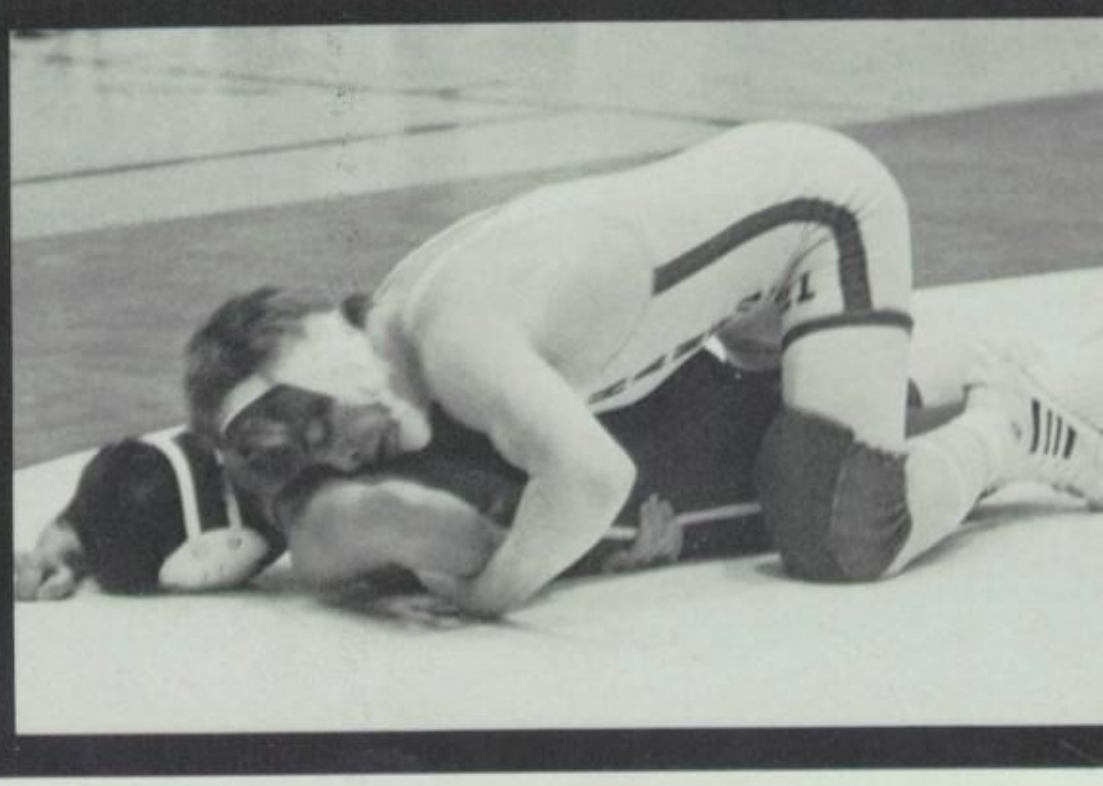
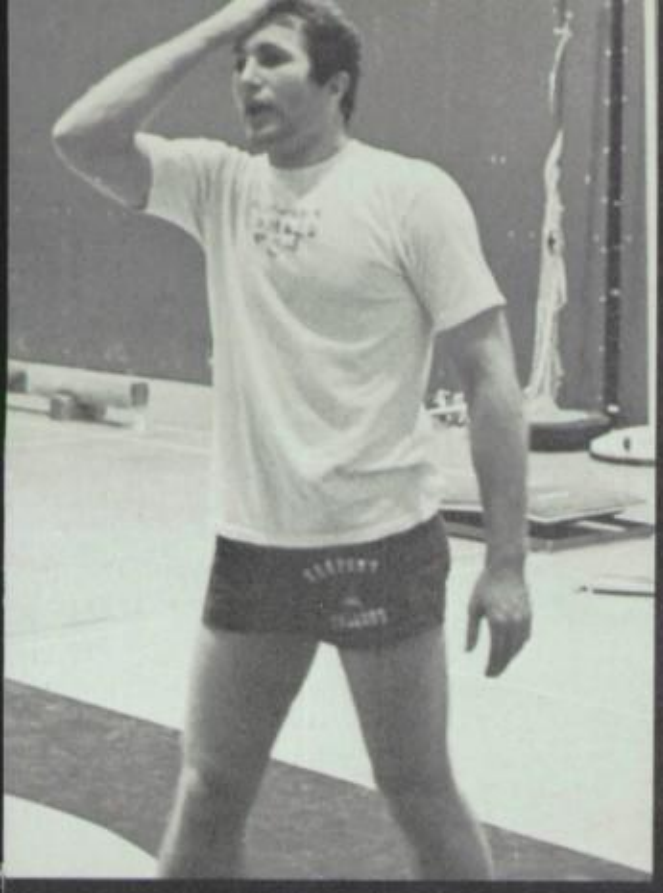
"This year's wrestling team was very young. We had four freshman letter and no seniors. The backbone of our team was the junior class. Spanner was picked as captain and Garcia was most inspirational. Every young man that finished the year was vital to our program. We are building our program and are very proud of the men who have enough ability and pride to participate in this most demanding sport. The men who wrestle put in more time and effort than any participatnt of any other sport. We admire them all, even those who tried but could not finish the season because of injury."











"The Falcon Gymnasts are a dedicated, hard-working, and inspiring group of individuals. After earning our own equipment, we were really a close knit team in every sense of the word (but still very much individuals). Our second competing year was full of success because of the team's enthusiasm. We made Hanford known on both sides of the mountains, meeting Sammamish (4th in State last year) and Shadle Park (2nd in Regionals last year) finding ourselves not totally outmatched. We are looking forward to further success next year. Kristen Keyes, our only senior, will be graduating. She has done a fine job in floor exercise for the team this year. We are, therefore, a young team and will become strong in years to come. Will see you at a meet some time."

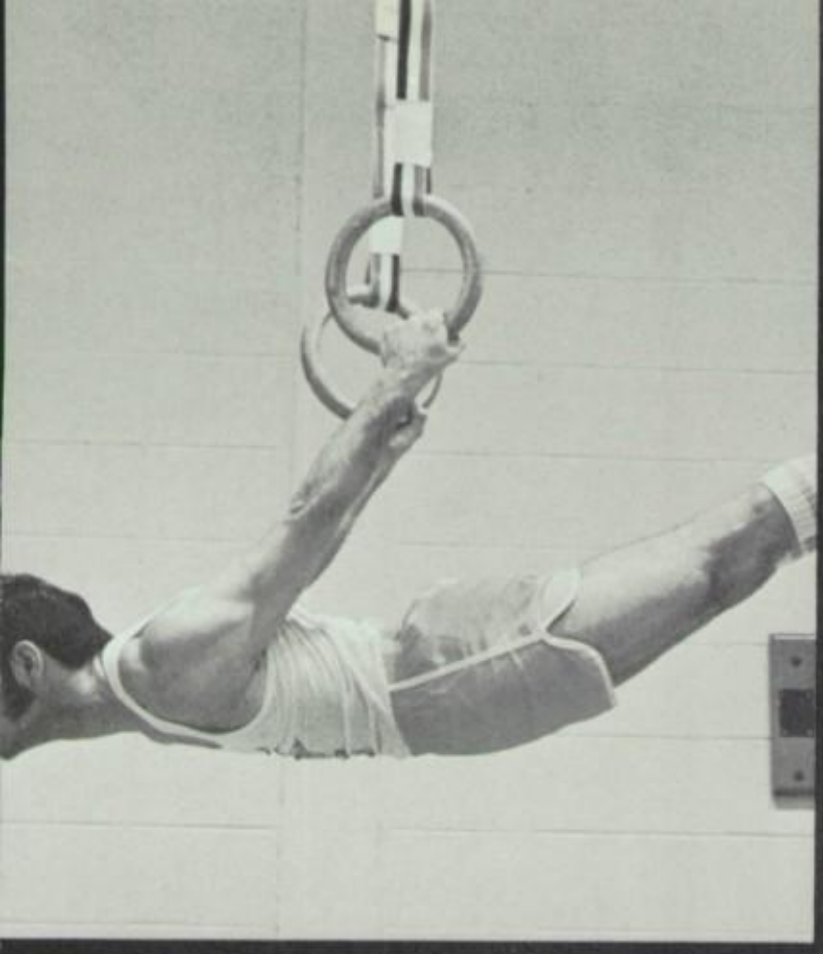
HOCKEY

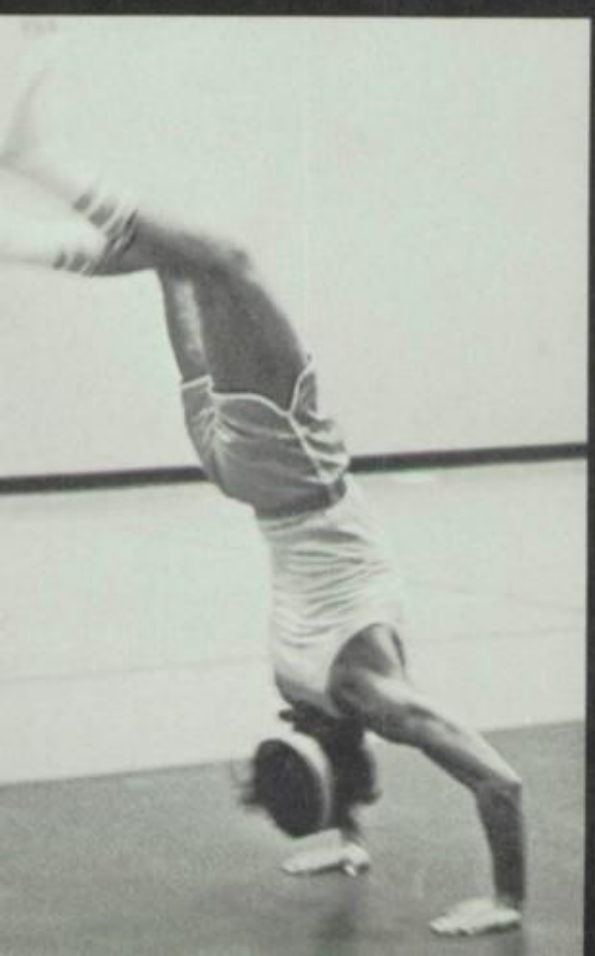
STANDING-Katie Sako, Tony Sako, Henry Field, Tony Greagor, Dan Thompson, Tom Karagianes. KNEELING-Maury Valett, Scott Eliason, Terry Liikala, Mark Rowley.

The hockey team this year was without a doubt the greatest combination of stars to ever set foot on a K-12 campus. It is really impossible to pick any one outstanding player when there were so many brilliant players. Future hockey teams will have a difficult time meeting the high standards set by this years team.

Boy's Gymnastics



STANDING, LEFT TO RIGHT: Phil Garza, Dan Welker, Scott Gregory, Tony Gregor, Coach Powell; SITTING, Walter Kopf, John Tatum, and MISSING ARE John Simpkin and Tom Gregory.



1976 was the first year for Boys' Gymnastics at Hanford. The team traveled as far as Battleground and Bremerton. The Freshmen and Sophomores took fifth in the Sophomore State Championships at Bremerton. Walter Kopf took ninth all around at District.

In only their second year of competition the Girls Volleyball Team moved into the Big Nine. They beat every team they played this year at least once. This includes each team in the Tri-Cities. The team retired from competition with six wins and two losses in league play. Regionals was quite a disappointment when the young team ran into a few misfortunes.

Prospects for next year? They look excellent since the team is only losing one starter (Linnea Preston).

With the fine coaching of coaches Roy and Regnier, this team should go a long, long way.

TRACK AND FIELD

The season this year began with a few disappointing losses, but Coach Shen decided he didn't like the bitter taste of losing. So, after losing a close meet to Toppenish, he did something about it. He worked the team very hard for the next few days, and got his revenge by winning the next several meets. He got the team up to competitive stature only to be shot down at the district meet. Only Shawn Busselman went on to State with a third place in the shot put at District.

The 1976 tennis team at Hanford was one of the best I have ever coached. Both the boys and girls team achieved goals far beyond my expectations at the first of the year. The boys' team were league champions in 1975; and after losing 6 players from last years squad, we came in second place this year with a 6 win 2 loss record. The girls' team developed into the most competitive team in our school's history. They had a league record of 7-1 for a co-championship. There were some firsts for the school. Rob Bennett & Angus Bampton won the district tourney and placed 7th in the state tourney. Kim Kiser placed 2nd in the district and was 5th in state. Those are tremendous achievements for our team.

This year's Hanford Varsity Golf Team had a very impressive season. Led by three seniors, the team ended up with a league record of 7-0 and an overall record of 16-1. The season ended with the team breaking 300, four out of the last six matches. One of these sub 300 rounds came as Hanford defeated Col-Hi by 15 strokes in a non-league match. Hanford won its first District by shooting 312, which was a district record. In the State Tournament in Olympia, Hanford missed the crown by 2 strokes. They ended up with a third place finish.

The 1976 Falcon baseball season was another successful one, with the Falcons again making it to the state Regional Playoffs. The Falcons finished second in the Mid-Valley League with a 13 and 3 record and with a 16 and 8 overall season. Some fine individual efforts were shown this year by seniors; Rob Marshall, Rob Cuello, Kerry Anderson, Paul Wood, and junior Brad Carrothers. Anderson, Marshall, and Cuello were picked to play in the Washington State feeder games for all-state. Cuello and Marshall were nominated to play in the all-state game with Marshall being selected to play in it. Anderson, Marshall, Wood and Carrothers were picked for the all Mid-Valley League All-Star Team. Rob Cuello was selected Team Captain while Rob Marshall was the Most Valuable and Most Inspirational on the '76 team. The Falcons are looking forward to another winning season next year with excellent talent returning off of the '76 team. Head coach for the team is Glen Meinke and the assistant coach is Phil Jones.

With the great help of advisor Teresa Knirck, the Falcon cheerleaders led the fans of this community through many exciting moments. It takes a lot of hard work and dedication to be a cheerleader, and the cheerleaders of Hanford know this very well. We are truly proud of the fine job they have done this year. The girls would like to give special thanks to their advisor, Teresa Knirck, and her husband, Bill.

HOMECOM

Homecoming week was kicked off to a start on October 4th at the Richland Bowl. The big event was the annual Junior - Senior powder puff football game with the Seniors winning. (An anonymous Junior requested the score not be mentioned.) Other activities during the week included recreation night, a car rally, the Royalty assembly, and the big dance held at the Rivershore Motor Inn on October 11th at 9:00. Gabriel, the band from Seattle, was really good and everybody had a fun time. It was great seeing all the old Seniors from last year too!

The Royalty for Homecoming 1975 was: Senior Queen - Nina Maffeo; Senior Princesses - Diane Nelson and Sue McKenna; Junior Princesses - Kristen Russell; and Sophomore Princess - Susan Heid. The colors were blue and silver and the theme was YOUR SONG by Elton John. The dance was a real success despite the fact that every girl who couldn't wait to show off her "original dress" was a little surprised to see 90 other copies for it!

National Honor Society is a big group this year and very involved. Its members were picked because of their character, service, leadership, and citizenship. The group not only did services, but enjoyed a very fun-filled year.

Pres.- Pam Simpson

SPADES (Speciad Aides) are now starting to be quite active in helping the handicapped. Chartered only last year, the group has been involved in many activities. With all the interest shown this year, the club looks promising.
